

Does Coal Dust Impact Me?

NEW VIRGINIA MAJORITY
DEMOCRACY. JUSTICE. PROGRESS.

SIERRA CLUB
VIRGINIA CHAPTER

Companies transport coal in uncovered open-top rail cars. Each car on a coal train releases 500 to 2,000 pounds of coal dust over the course of its journey, according to a study by Burlington Northern Santa Fe Railway. Coal dust can impact health, environment, and communities.

Scan for More Info!

Meet with partners and community members to learn more, discuss, and share your experience with coal dust to help advocate to the Environmental Protection Agency for solutions for coal dust pollution. Free and open to all.

Learn more and share your experience at the next community meeting!

11am-12pm Saturday, July 15th

Art Room, Lamberts Point

Community Center

1251 W 42nd St, Norfolk, VA

vasierra.club/lambertspointmeeting

5pm-8pm Thursday, July 19th

ODU Library Study Room 7

4427 Hampton Blvd, Norfolk, VA

vasierra.club/odumeeting
