Dear Mr. Davis:

This will acknowledge the receipt of your letter dated December 29, 1999 received on January 5, 2000.

The letter appears to contain the necessary information to begin processing the application.

You are reminded that construction of a source subject to permitting requirements in Chapter 80 of the Virginia Regulations for the Control and Abatement of Air Pollution, without a permit, can result in enforcement action.

Please reference the I.D. No. above on all future correspondence dealing with your facility. If you have any questions, contact me at 757-518-2178.

Sincerely,

A handwritten signature in black ink, appearing to read "Laura D. Corl".
