

Take Action to Reduce Coal Dust in Your Community!

1. **CALL AND EMAIL** Newport News City Council – tell them you want action to address coal dust pollution!

- a. Call: 757-926-8618
- b. Email: council@nnva.gov,
Mayor Jones jonespd@nnva.gov
Vice Mayor Bethany bethanycd@nnva.gov,
South Representatives: eleyjr@nnva.gov, vicktl@nnva.gov,
Central Representatives: longcm@nnva.gov, woodburypp@nnva.gov
North Representative: harrisml@nnva.gov

- c. What to say:

Dear City Council Members,

Newport News has suffered for decades from coal dust that escapes from the coal terminals in Southeast Community. The coal terminals should be required to build infrastructure that reduces the coal dust pollution in the community. Please take action to protect our community from coal dust.

Thank you,
[YOUR NAME, ZIP CODE]

[Add your own words! Let them know how coal dust has affected you and why it's important to you that they act on this issue.]

2. **SHARE YOUR STORY** about how coal dust pollution has affected you:
 - a. Fill out the contact form on coaldustkills.com
 - b. Post on Instagram with the hashtag #CoalDustKills
3. **SPEAK AT CITY COUNCIL** meetings – 2nd and 4th Tuesdays of the month at 7pm
4. **FILL OUT THE SURVEY** to share your feedback on the proposed ordinance to reduce coal dust pollution. Visit coaldustkills.com to find the survey.
5. **KEEP UP TO DATE** with other news and calls to action on the website coaldustkills.com
