Would you like to share your email and/or phone number to learn more about this issue and community activity on coal dust in Hampton Roads?

Email: _____

Phone Number: _____

Do you consent to the Sierra Club, New Virginia Majority, UVA Repair Lab, and allied organizations utilizing your testimony in order to advocate to the public and the EPA on coal dust? _____ Yes _____ No

1. What comes to mind when thinking about coal dust from coal trains in your community?
2. How have you been personally impacted by coal dust?
3. Has coal dust been a problem for you and your community? How does it affect your community?
4. Do you think the Environmental Protection Agency (EPA) should do something about coal dust leaving the tops of open-top railcars? If you could speak to the Environmental Protection Agency (EPA), what would you ask them to do to address coal dust?

Text, call, or email Ann Creasy at 757-513-2844 or ann.creasy@sierraclub.org to arrange pick-up of completed form.
